

Welcome to Second Grade!

In September, your child will be assigned a specific homeroom teacher. However, their subjects are split up between Mrs. Arnott, (who will be teaching all Reading, Language Arts and Social Studies) and Ms. Wanat (who will be teaching all Math, Science and Health). Your child will be switching classes for the above subjects. We have compiled a list of general supplies that all second grade students will need to use in both classes, as well as specific supplies necessary for each teacher. Your child will NOT need any folders. A folder will be provided by the school. Please try to adhere to the specific items listed below. Additional items, or items not listed will just cause your child's desk/table to be cluttered and will most likely not even be used. Thanks so much! Have a terrific summer and see you in September!

*****Mrs. Arnott & Ms. Wanat - Second Grade Teachers*****
